TITLE

Public Hearing on the Transportation Improvement Program (TIP) FY 2024 - FY 2028 Adoption

BRIEF OVERVIEW

The Transportation Improvement Program (TIP) contains the funded Florida Department of Transportation (FDOT) Five-Year Work Program and the local jurisdiction Capital Improvement Programs (CIP). The TIP implements the projects contained in the 2045 Long-Range Transportation Plan (LRTP). Projects are required to be shown in the TIP for inclusion into the State Transportation Improvement Program (STIP) and subsequent funding through joint participation agreements.

The 30-day public comment period for the Draft TIP was advertised in the April 28, 2023 editions of the Hernando Sun and Citrus County Chronicle and began May 1, 2023. The TIP was reviewed by the MPO Committees (Technical Advisory Committee, Citizens Advisory Committee, and the Bicycle Pedestrian Advisory Committee) on May 24, 2023. The Committees recommended the MPO Board approve the FY 2024-FY 2028 Transportation Improvement Program and transmit it the Florida Department of Transportation.
