TITLE

Contracts for Sale and Purchase Between Southwest Florida Water Management District and Hernando County Water & Sewer District for Properties Located on Snowy Plover Avenue (Key #829081) and Barnevelde Road (Key #1153334) for Public Well Sites

BRIEF OVERVIEW

A need has been determined for additional public well sites by the Hernando County Utility Department (HCUD). Currently, Southwest Florida Water Management District (SWFWMD) has two lots in their Annutteliga Hammock Project that are available for purchase. Parcel Key No. 829081 is located on Snowy Plover Avenue and Parcel Key No. 1153334 is located on Barnevelde Road. Both parcels lie just east of the Royal Highlands area in Hernando County. SWFWMD has placed a deed restriction on the parcels for the continued protection of resources and the Chassahowitzka Priority Focus Area. Placing a public well on these properties will not present a conflict to the deed restrictions.
