

MAINTENANCE BOND

BY THIS BOND WE, Lennar Homes, LLC, as Principal, and Hartford Fire Insurance Company, as Surety, are bound to Hernando County, Florida, a political subdivision of the State of Florida, hereinafter "County", in the sum of One Hundred Eighty One Thousand Seven Hundred Sixty Two and 50/100 Dollars (\$181,762.50) for the payment of which we bind ourselves, our heirs, personal representatives, successors and assigns, jointly and severally, firmly by these presents:

WHEREAS, the above-named Principal has applied, or will apply, to the County for approval of a plat of a certain area of land within Hernando County, Florida, to be known as Avalon East (Project) and has agreed, or is required, as a condition to the approval of said plat by the County or pursuant to Land Development Regulations, to maintain all required, approved, or dedicated improvements, which improvements consist of, but are not necessarily limited to, roads, drainage, sewer and water lines, and all other improvements installed in connection with the Project; and,

WHEREAS, the approval of said plat by the County is further conditioned upon the furnishing of an adequate Surety Bond to the County pursuant to the County's Land Development Regulations.

NOW, THEREFORE, THE CONDITION OF THIS BOND is such that if the Principal:

- A. Shall maintain all improvements within the project for a period of eighteen (18) months from the date established by the county for the beginning of the maintenance period; and
- B. During such maintenance period, shall provide any maintenance repairs required by the county to ensure the integrity of the improvements, as designed and constructed, is maintained, including but not limited to:
 - (1) Repair and/or replacement of pavement, culverts, catch basins, etc;
 - (2) Control of erosion, replacement of sod, removal of soil washed into the street or drainage system;
 - (3) Maintenance and/or replacement of regulatory signs and markings;
 - (4) Maintenance of sewer lines, force mains, lift stations and wastewater treatment plants if approved and maintenance of water plants and distribution systems; and
- C. Shall reimburse the County or district for any and all repairs it might make to the systems during the maintenance period; and
- D. Shall submit written requests for an inspection of all improvements to the County's Utilities and Public Works Departments, as applicable, at least sixty (60) days prior to the termination of the completion period;

then this obligation shall be void. Otherwise, it remains in full force and effect.

AND the said Surety, for value received, hereby stipulates and agrees that no change involving an extension of time, alterations, or additions to the terms of the improvements to be made hereunder, or in the plans, specifications and schedules covering the same, shall in any way affect the obligation of said Surety on this bond and the Surety does hereby waive notice of any such changes.

THIS BOND shall be for the use and benefit of the County if it should elect to proceed with said work upon the failure of the Principal to maintain the improvements in connection with the Project for a period of eighteen (18) months from the date established by the county for the beginning of the maintenance period, or any subsequent date provided through an agreement between the Principal and the County for an extension of time.

IT IS FURTHER understood that should Hernando County, Florida be required to institute legal proceedings in order to collect any funds under this bond, Lennar Homes, LLC (Principal) shall be responsible for attorney's fees and court costs incurred by the County.

IN WITNESS THEREOF, the Principal and the Surety have caused these presents to be duly executed this 20th day of May, 2024.
