I received this email from the citizen and forwarded it to Stephen and Dan on 5/8/26.

> Dear Mr. Crosby

- > I want to first of all compliment your secretary at the front desk. Maria went above and beyond the call of duty to help me. And in line of the same thought I beg you to please help me as well.
- > Archibald Const. Submitted a variants on our drive way 3 weeks ago. I know Lori and Client thru Dan have tried to get it expedited to you. We have been in a rental for 2 years since the flood. Our house was completed in April but the drive way got turned down. We lost our rental the end of April because the house was going to be finished for us to move in but the drive way has stopped everything.
- > I there for ask of your mercy to please find the application and let us know what we need to do in order to satisfy the country.
- > We need a response as soon as possible to help reduce my hard ship at this point.
- > Thank you for your help.
- > Sincerely Larry McMurphy
