Hi Ian,

Thanks so much for verifying. It is looking likely that we'll be able to share this resource with a neighboring county.

Appreciate your help,

Erin

Hi Ian,

Hope this message finds you well. We really enjoyed touring your new digs at the ribbon cutting, nicely done!

Question for you about an asset that was donated to us by FDEM back in 2019. It's a 2011 53' Great Dane trailer, registration and title are attached for reference. This unit has become cost prohibitive to maintain due to advance age. We also have a staffing gap in terms of County employees with appropriate CDL certification required to haul it.

We are ready to send this asset to surplus. Does FDEM want the trailer returned?

Thanks for your help,

Erin
