I recommend that we authorize Darlene to apply for these funds and follow up with Commission approval at the award if we get the funds. This grant was part of the four(4) grants that were on the previous agenda item.

Theses are Federal Funds remaining from other jurisdictions that both the Federal Transit Administration, and Florida Department of Transportation are trying to get reallocated so the funds can be spent in Florida.

The funds will be used to buy a bus, which even if we get the award, we won't get the bus for about 2+ years. Like ordering a Fire truck.

Let me know if you need anything else.

Thanks!

Scott Herring
