Invoice Date: 8/16/2025

The attached request for disbursement does not appear to be in compliance with County Purchasing Policy, for the following reason:

This vendor performs much of his correspondence with DPW in person. We followed the requirements listed in Agreement 19-10 when discussing Certificate of Insurance requirements. Mr. Williams informed us no vehicles are operated, and right of way maintenance is performed by himself. Tiffany Smith confirmed she previously gave him an exemption. During the delay caused by the COI corrections Mr. Williams performed ROW maintenance without having an issued purchase order for reimbursement.

Please forward all documentation with this form attached, and letter of explanation, to the Chief Procurement Officer.

Please review, and upon approval, forward to County Administration.

Good morning,

My name is Casey Phillips, and I am the Accounting Clerk III for Hernando County DPW. We have entered the fourth billing quarter and have not received your COI or any invoices yet. You are welcome to wait and send all 4 invoices towards the end of quarter four. However, if you could please send us your COI, we would greatly appreciate it. This will allow me time to enter the requisition for your Purchase Order which allows us to send you payment. I will need to receive the invoices to get them paid and the PO closed out preferably by September 18th but no later than September 25th, 2025. We just wanted to remind you because if we do not receive the COI and invoices by then to get the PO opened and the invoices receipted you automatically forfeit the money. I have attached a copy of our COI sample and checklist to show you how it will need to look. I look forward to hearing back from you.

Thank you,

Casey Phillips

Hey Casey,

Susan's got a great memory. Checked into it and I certainly did. He's automatically exempt from WC as he is an independent contractor for non construction and no employees. Auto was given an exception as well since as stated he doesn't use a vehicle to complete the scope of work. Let me know if you need anything further.

Happy Fri-Yay!

Subject: COI question for Regency Oaks

Good morning, Tiffany,

I spoke with William Johnson from Regency Oaks this morning. He mows the ROWs himself he does not have any employees. He also stated he does not use a vehicle he only rides the lawn mower around to mow the ROWs in the community. He says he has always been allowed to only carry liability insurance for the ROW maintenance agreements. I spoke with Susan, and she said it did sound familiar, and she thinks that you made an exception for him. I have attached his COI. Can you investigate this and advise me if this is good or if anything needs to be done?

Thank you,

Casey Phillips

Subject: COI update from Risk management

Good morning, Mr. Johnson,

I had spoken to Susan before coming out to speak with you but after we spoke, I went back and relayed the information to Susan. She said now that sure does sound familiar Tiffany may have given him an exception of some kind. I reached out to Tiffany in Risk Management that handles all the insurance policies like I promised. She stated that she did grant you an exception due to the unique circumstances of your ROW maintenance. I apologize for not being aware of this and I will add that to your file so this shouldn't continue to be an issue for you. I will work on getting your requisition entered and your invoices paid once the PO is finalized.
