not sure if ya got my email few days ago. but wanted to send another.  
your inspector Mr. Coree is a asset to your team. i wanted you to know that as a home owner that had to do my own driveway apron ( never did one before so i did come into the office for direction / advise ect ) Mr. Coree talked me down cause i was extremely stressed about the whole thing. Mr. Coree explained every thing he was doing and went way above and beyond to help me. you should be proud of him. i just wanted you to know sir.

ted force.
