- C. Legitimate claims of the Consultant/Firm's use of unauthorized workers must be reported to both of the following agencies:
 - 1. The County's Procurement Department at (352) 754-4020: and

6. Arrange for annual Form I-9 audits by an external auditing firm or a trained employee not otherwise involved in the Form I-9 process.
7. Establish a procedure to report to ICE credible information of suspected criminal misconduct in the employment eligibility verification process
8. Establish a program to assess Sub-Contractors' compliance with employment eligibility verification requirements. Encourage Consultant/Firms to incorporate the IMAGE Best Practices contained in this Article and, when practicable, incorporate the verification requirements in Sub-Contractor agreements.
9. Establish a protocol for responding to letters received from Federal and State government agencies indicating that there is a discrepancy between the agency's information and the information provided by the employer or employee; for example, "no match" letters received from the Social Security Administration.
10. Establish a tip line mechanism (inbox, e-mail, etc.) for employees to report activity relating to the employment of unauthorized workers, and a protocol for responding to employee tips.
11. Establish and maintain appropriate policies, practices, and safeguards against use of the verification process for unlawful discrimination, and to ensure that U.S. Citizens and authorized workers do not face discrimination with respect to hiring, firing, recruitment or referral for a fee because of citizenship status or national origin.
