This documentation will be included with the bid submitted for evaluation. Bids that are determined non-responsive by the Purchasing Division will not be submitted to you for evaluation.** Please note that you should focus your attention on the areas contained within this document. Your evaluation will be a major consideration as to the responsiveness and/or responsibility of a bidder.

- A. Is the amount of the bid reasonable and realistic for the services to be performed or the item or equipment to be purchased?

Yes

If the bid is considered reasonable/realistic, provide justification for your conclusion.

The bid items are reasonably priced to equal average costs associated with each item.

If you consider the bid to be unreasonable and/or unrealistic, please explain in detail.

- B. Was an independent County estimate developed prior to soliciting for the procurement?

Yes, an independent County estimate was prepared (see attached).

If affirmative, submit this estimate with your evaluation in the same format as the bid schedule and describe the extent the estimate was used in the analysis of the bid.

Page 2

When specific types and quantities of equipment are required to meet minimum standards, the bidder may address this requirement by providing purchasing with a pro-forma invoice with confirmation from a bank or lending institution to the effect that they are prepared to finance the lease or purchase of equipment necessary to perform the services if the bidder is awarded the contract.

D. Does the bidder have a satisfactory record of performance?

Yes, the Bidder has completed many projects over the years with Hernando County.

At a minimum, the bidder's record on previous county contracts must be considered and an attempt must be made to contact all references. The reference form attached is to be used for your documentation of your reference check. If references cannot be contacted, the Department shall contact Purchasing for additional references. Purchasing shall request from the bidder in writing of this fact and inform that the reference must contact the project person within two business days or it will negatively impact the evaluation the bid.

E. Provide your overall recommendation on the Recommendation for Award Form.

See attached recommendation.

Note: At no time will the user/project person/bid evaluator discuss responsiveness, responsibility or withdrawal from the bidding process with any bidder.
