**Importance:** High

Marianne, attached is a new signed Rental Extension from Centrisys and below has also be changed. Let know if you need anything else.

Due to unforeseen circumstances, it is necessary to extend the rental/lease of the Centrifuge from Centrisys for an additional three (3) months (April/2026 through June/2026) while Centrifuge No. 1 undergoes major repairs. Maintaining this rental during the repair period is essential to ensure continuous processing of all sludge at our facilities. Without the rented centrifuge, operations will be significantly impacted.

Approval of this extension is requested to maintain uninterrupted operations.

The cost for the additional three-month rental period is \$90,000.00.

Thanks

**Bruce Batten**
