WHEREAS, the County desires access through the privately owned property described above for the purpose of setting up and operating pumps to support flood relief efforts for area residents, in the event of flooding following a storm event for the purpose of public safety and environmental protection;

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Grant of Right of Entry:

The purpose of this Agreement is to grant the County a non-exclusive right to access and enter the property described above ("Property") for the setup and operating of pumps to support flood relief following storm-related flooding. The County shall exercise this right in a manner that minimizes disruption to the Owner's use and enjoyment of the Property to the extent practicable.

2. Scope of Work:

For this one-time occurrence: The County shall conduct the work in accordance with applicable laws, regulations, and industry standards.

3. Term:

The term of this Agreement shall commence on the Effective Date and shall continue solely for the duration necessary to install, operate, and remove pumps and related equipment as needed by the County. Access under this agreement is limited to such times as are reasonably necessary to perform these specific activities. Either the Property Owner or the County may terminate this
