Grace,

The Mid Florida contract allows us to purchase new generators from them. I put \$90,000.00 in the budget every year to purchase one in the event one fails, 07201-5626337. We have to replace the Burger King Lift station generator that is beyond repair. The quote came in at \$62,606.00. I guess my question is, is this just a matter of you transferring the money to the contract PO 26000303. I just need to confirm before I tell them to order it. I've attached the quote and the page of the contract.

Thank you,

Larry Cooper
