County Commissioners:

It's with a very heavy heart that I must resign from the Planning and Zoning Commission, effective at the conclusion of our next meeting on December 8, 2025. As many of you know, it's been a little over a year since I was appointed. During that time, my personal life has been filled with great joy: I got engaged to a wonderful woman who has a young child from her late husband, and through the grace of God we are expecting a baby boy in March.

I'm a firm believer in fulfilling commitments, so this has been a particularly agonizing decision and I feel I'm letting some of you down by leaving in the middle of my term. That said, my current home is no longer suitable for my family and the only option is to purchase a new home in Altamonte Springs for more space and to be closer to my fiancée's family. This will become my primary residence at the end of this month.

I intend to keep ownership of my current home in unincorporated Brooksville so I won't be a stranger. I sincerely appreciate the nomination from Commissioner Amsler, the unanimous confirmation from BOCC, and the positive feedback since then. It has been eye-opening being on the other side of the dais, and I have a new appreciation for the work you all do every day.

May God bless you all.

Sincerely,

Axl David
Vice Chair, Planning and Zoning Commission
