## Terms and Conditions

### 1. Buy America Provision for Infrastructure

#### Required Use of American Iron, Steel, Manufactured Products, and Construction Materials for Infrastructure

Per 2 CFR Part 184, none of the funds provided under this award may be used for a project for infrastructure unless:

1. All iron and steel used in the project are produced in the United States. This means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States,
2. All manufactured products used in the project are produced in the United States. This means the manufactured product was manufactured in the United States, and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the

manufactured product has been established under applicable law or regulation, and

3. All construction materials are manufactured in the United States. This means that all manufacturing processes for the construction material occurred in the United States. For construction material standards, see 2 CFR Section 184.6.

This Buy America preference only applies to articles, materials, and supplies consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

### Department of the Interior (DOI) General Applicability Waivers

There may be instances where an award qualifies, in whole or in part, for an existing DOI general applicability waiver. Recipients are responsible for determining if an approved waiver applies to their project. A list of active waivers is available at: [www.doi.gov/grants/BuyAmerica/GeneralApplicabilityWaivers](http://www.doi.gov/grants/BuyAmerica/GeneralApplicabilityWaivers). As new waivers may be issued at any time, we recommend Recipients frequently check this web page through the life of their project. If an active waiver applies to the project, the Recipient must retain a record of the applicable waiver per 2 CFR Section 200.334 recordkeeping requirements. If the specific financial assistance agreement, infrastructure project, or non-domestic materials meets the criteria of an existing general applicability waiver within the limitations defined within the waiver, the Recipient does not need to request a separate waiver for non-domestic materials.

### Waiver Requests

When necessary, recipients may apply for, and the DOI may grant, a waiver from these requirements, subject to review by the Made in America Office. Per 2 CFR Section 184.7, the DOI may waive the application of the domestic content procurement preference in any case in which it is determined that one of the below circumstances applies:

1. Non-availability Waiver: the types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality,
2. Unreasonable Cost Waiver: the inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25 percent, or
3. Public Interest Waiver: applying the domestic content procurement preference would be inconsistent with the public interest.

If a general applicability waiver does not already apply, and the Recipient believes that one of the above circumstances applies to an award, the Recipient may submit a request to waive the application of the domestic content procurement preference.

### Waiver Submission Instructions

Recipients must submit all waiver requests to the Service in writing. Email all waiver requests to [fwfqfasupport@fws.gov](mailto:fwfqfasupport@fws.gov). Please use the subject line: "Buy America Waiver Request". Include the following information with each waiver request:

1. Type of waiver requested (non-availability, unreasonable cost, or public interest)
2. Requesting entity name and Unique Entity Identifier (UEI)
3. Federal awarding agency: U.S. Fish and Wildlife Service, DOI
4. Awarding program Assistance Listing number and title (Notice of Award, Block 2)

GRANT NO. F26AF00005-00	

5. Project title (Notice of Award, Block 8)
6. Federal Award Identification Number (Notice of Award, Block 4)
7. Federal award amount (Notice of Award, Block 11)
8. Total estimated infrastructure costs, to the extent know (federal and non-federal funds)
9. Infrastructure project description and location, to the extent known
10. List of iron or steel item(s), manufactured goods, and construction material(s) proposed to be waived from the Buy America requirements. Include the name, cost, country of origin, if known, and relevant PSC or NAICS code for each (see <https://psc-tool.us/> and <https://www.census.gov/naics/>).
11. A certification that the Recipient made a good faith effort to solicit bids for domestic products supported by terms included in requests for proposals, contracts, and nonproprietary communications with the prime contractor.
12. A statement of waiver justification, including a description of the Recipient's efforts (e.g., market research, industry outreach) to avoid the need for a waiver. Such a justification may cite, if applicable, the absence of any Buy America-compliant bids received in response to a solicitation. For market research conducted, provide details on when it was conducted, and the sources and methods used.
13. Anticipated impact if no waiver is issued.

Do not include any Privacy Act information, sensitive data, or proprietary information with the waiver request.

### Waiver Review Process

The Department will post waiver requests to [www.doi.gov/grants/buyamerica](http://www.doi.gov/grants/buyamerica) for the required 15-day public comment period. The Made in America Office will also review all waiver requests. The Department will post approved waivers at [www.doi.gov/grants/BuyAmerica/ApprovedWaivers](http://www.doi.gov/grants/BuyAmerica/ApprovedWaivers). The Service will notify Recipients of waiver request determinations by email. Waivers may be granted after an award has been issued. However, an approved waiver will not retroactively apply to expenditures already incurred under the award before the effective date of the waiver. Any such expenditures are subject to the Buy America preferences for infrastructure.

### Definitions

The terms used in this provision have the meanings given in 2 CFR Section 184.3.
